WHY CEXSWAP

WHY CEXSWAP

- Our mission is to open the growth of DEFI adoption. This happens when users feel confident to explore the blockchain space and developers are supported to build the future of decentralization.
- Democratize financial services and make them open accessible to everyone, anywhere in the world.

WHY CEXSWAP

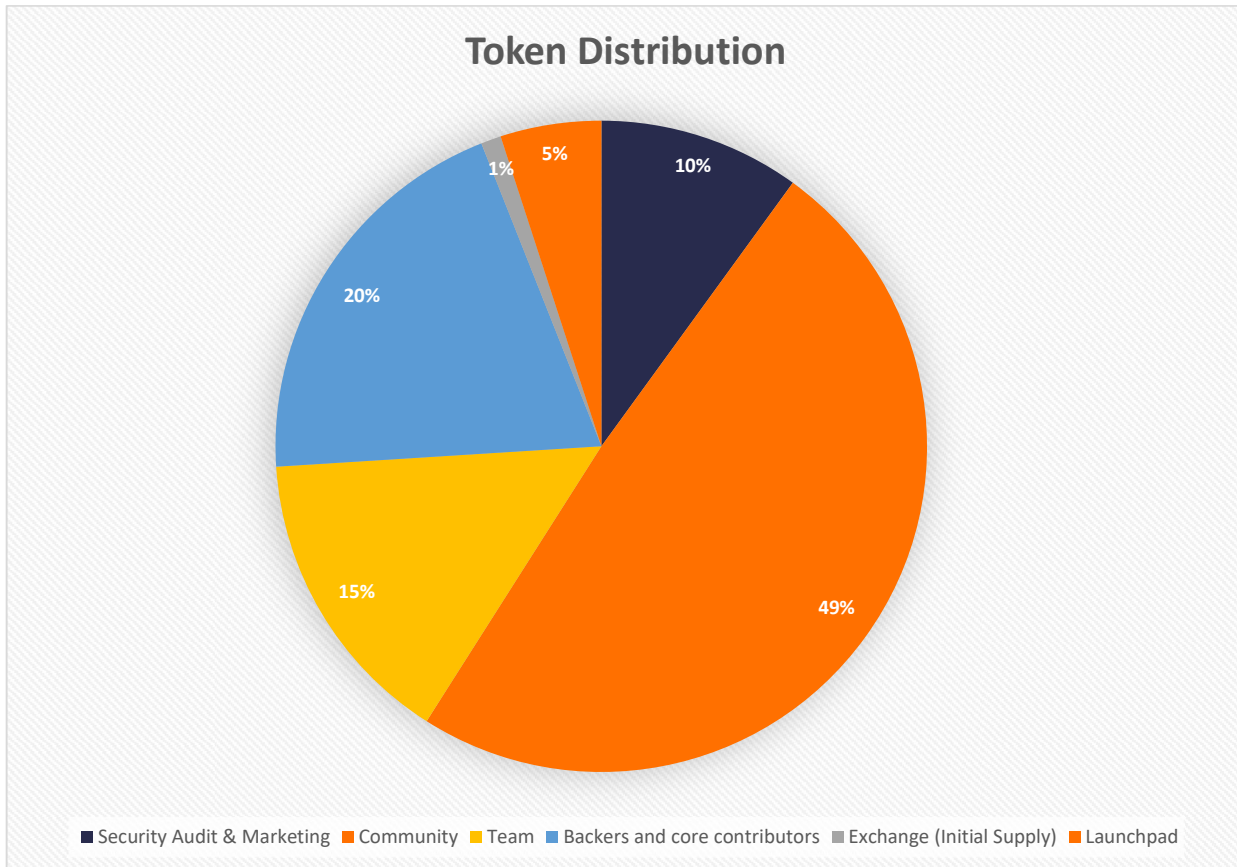

- The market has seen a huge shift in activity from centralized exchanges to DEX (decentralized exchange). Stats show a surge in DEX trading volume within some months. Following the sharp increase in the market for DEX, CEXSWAP was developed with the aim of taking DeFi to the next level.
- The team at CEXSWAP make sure to bring effective and professional features to make this platform better for the whole community.
